APAMI 2006 Call for Papers 2006年亞太醫學資訊國際學術研討會 論文徵稿

The **APAMI 2006** Organizing Committee is pleased to announce that the **Asia-Pacific Association for Medical Informatics Conference 2006 (APAMI 2006)**, will be held in **Grand Hyatt, Taipei, TAIWAN** from **27 to 29 October 2006**.

"**Towards Global Interoperability for Electronic Health Records**" is the theme of APAMI2006, which will be a venue for extending existing technical collaborations, educational exchange and other co-operations. Also, it will be a catalyst for delegates to establish new relationships with colleagues from many countries. APAMI2006 will be an ideal platform for researchers, practitioners and students to come together and share information, ideas and expertise. This year, a "Student Traveling Fund" has been allocated to provide financial aid for students to present their papers, the fund will be granted on a need basis. **All papers have to be submitted online at (<http://www.apami.org/apami2006/>).**

The following topics will be featured at APAMI 2006:

1. Electronic health records
2. e-Healthcare and ubiquitous healthcare
3. Clinical decision support systems and expert systems
4. Training, education and cognitive sciences
5. Patient safety

About APAMI

The Asia Pacific Association for Medical Informatics is a new and important regional group within the IMIA and it represents an extension of IMIA's global interests in promoting IT health. To date, the APAMI family comprises of 13 members, nearly all of whom are representing their national health informatics associations. These are Australia, China, Hong Kong, Indonesia, Japan, Korea, Malaysia, New Zealand, Phillipine, Singapore, Taiwan, Thailand and Vietnam. Member societies from India, Kazakhstan and Sri Lanka are corresponding members. The APAMI triennial conferences were (or will be) held:

- Singapore: 1994
- Sydney: 1997
- Hong Kong: 2000
- Seoul: 2003
- Taipei: 2006
