

TUESDAY 1 NOVEMBER | CONFERENCE DAY 1

+ KEYNOTE SPEAKER

7am	REGISTRATION OPEN	
7.30-9am	ARRIVAL TEA/COFFEE in Exhibition Hall on Level 4	
ROOM	NZ 1+2	
	CHAIR: GREG WARD	
8.45-9.15am	Welcome to New Zealand	
9.15-9.40am	Welcome to Conference Lloyd McCann, Chair HiNZ , Anthony Maeder, Chair GT 2016 , Anthony Smith, Chair SFT-16	
9.40-10am	+ Rt. Hon. Dr Jonathan Coleman, Minister of Health (NZ)	
10-10.30am	+ Health leadership in the digital age - building a health-creating society Lord Nigel Crisp, All Party Parliamentary Group on Global Health (UK)	
10.30-11am	MORNING TEA in Exhibition Hall on Level 4	
	HINZ KEYNOTES	SFT & GT KEYNOTES
ROOM	NZ 1+2	NZ 3+4
	CHAIR: GREG WARD	CHAIR: ANTHONY MAEDER & JACKIE PLUNKETT
11-11.30am	+ Realizing the promise of HIT investment—enabling information flow across the continuum Andrew Wiesenthal, Deloitte Consulting (USA)	+ Squaring the Life Curve with Supportive Technology: Helping Lou and Mary Ann Age in Place Marjorie Skubic, University of Missouri (USA)
11.30m-12pm	+ Innovation in health informatics and technology: Better in the private sector? Lloyd McCann, MercyAscot (NZ)	+ The Victorian Stroke Telemedicine program - a new paradigm delivering expert acute stroke care to regional hospitals Chris Bladin, Victoria Telestroke (Australia)
12-12.30pm	+ Welcome to the Era of Cognitive Health Michael Weiner, IBM (USA)	+ Making every health door the right door: establishing the New Zealand national telehealth service Andrew Slater, Homecare Medical (NZ)
12.30-2pm	LUNCH in Exhibition Hall on Level 4	

Some information on this programme may have changed since it was printed - please use the conference app to view the most up-to-date programme

HiNZ 2016 + GT 2016 + SFT-16 + NZNIC-16

	HINZ KEYNOTES	HINZ INNOVATION 1	HINZ SCIENTIFIC 1	SFT SESSION 1	SFT SESSION 2	GT SESSION 1
ROOM	NZ 1	NZ 2	MARL 1	NZ 3	MARL 2+3	NZ4
	CHAIR: GREG WARD	CHAIR: MITCHELL PHAM	CHAIR: DAVE PARRY	CHAIR: COLIN CARATI	CHAIR: LEN GRAY	CHAIR: ANTHONY MAEDER
2-3.30pm	2-3pm Ministry of Health Clinicians Challenge 2016 Finalists Mark Fisher Amber Young Yvonne McFarlane Nick Eichler Report from 2015 Winners James McKelvie Hong Sheng Chiong	Supporting clients now and in the future with social and innovative technology Anthony Bacon, Feros Care (Australia)	Patient journey modelling: Translating policy into action for integrated care Joanne Curry, CSC (Australia)	Telemedicine for acute care and transfer decision making: preliminary experiences in Northland, New Zealand Michael Kalkoff, Northland DHB (NZ)	Delivering patient education by group videoconferencing into the home: Lessons learnt from the Telehealth Literacy Project Annie Banbury, Central Queensland University (Australia)	Passive RFID Localisation Framework in Smart Homes Healthcare Settings Quang Vinh Nguyen, University of Western Sydney (Australia)
	3-3.30pm + Unleashing the untapped potential of technical experts: a surprisingly emotional journey Alistair Gordon, HFL (Australia)	Making Clinical Decision Support Interactive – From Clinician to Cloud Malcolm Pradhan, Alcideon (Australia)	Improving 30-day readmission risk predictions using machine learning Kathryn Hempstalk, Orion Health (NZ)	Teleradiology in Emergencies: A review of Mobile Teleradiological Applications and Frameworks Kasun Jinasena, University of Sri Jaywardenepura (Sri Lanka)	Continuous Professional Development through eLearning System for Sri Lankan Health Professionals G.G.A.K Kulatunga & N.S.R. Hewageegana, King's College, London (UK)	Current Trends in Electronic Medication Reminders for Self Care Yu Fang, Western Sydney University (Australia)
		EHealth enabled Nurses providing Pop Up Memory Clinics and Memory Wellness Programs for rural regional and remote older Australians Helga Merl, IntegratedLiving (Australia)	Barwon Health's Personalised Health Care a Randomised Controlled Pilot and Economic Evaluation for the delivery of Chronic Disease care for patients with COPD and Diabetes using a home monitoring tele-health solution Josephine Stevens, Barwon Health (Australia)	The Emergency Telehealth Service (ETS) - An innovative model of emergency care for rural WA Melissa Vernon, WA Country Health Service (Australia)	Telehealth applications for chronic disease recovery and practitioner CPD training Kim Knight, The Art of Health (NZ)	Family and Practitioner Perspectives on Telehealth for Services to Young Children with Autism Teresa Iacono, La Trobe University (Australia)
		HandsUp - The Power of Each Other through Volunteering Andrew Miller, Bush Road Medical Centre (NZ)	Patients' perspectives on accessing and use their own personal health records via a patient portal: an exploratory study Siobhan Mills, The University of Auckland (NZ)	Is three a crowd? Complex Case Management across the Tasman all the way to Central Australia Michelle McGuirk, Department of Health (Australia)	TeleHealth Model of Care in Urban Indigenous Health Services in South East Queensland Nivedita Deshpande, Institute for Urban Indigenous Health (Australia)	Cost and Time Effectiveness Analysis of a Telemedicine Service in Bangladesh Golam Sorwar, Southern Cross University (Australia)
	Q+A	Q+A	Q+A	Q+A	Q+A	Q+A
3.30-4pm	AFTERNOON TEA in Exhibition Hall on Level 4					

To minimise disruption, please avoid moving between rooms within each 90 minute block (the webcast library enables you to view other sessions)

	HINZ INNOVATION 2	HINZ CLINICAL 1	HINZ INNOVATION 3	SFT SESSION 3	SFT SESSION 4	GT SESSION 2
ROOM	NZ 1	NZ 2	MARL 2+3	NZ 3	MARL 1	NZ4
	CHAIR: GREG WARD	CHAIR: REBECCA GEORGE	CHAIR: SCOTT ARROL	CHAIR: LIAM CAFFERY	CHAIR: ALAN TAYLOR	CHAIR: KENDALL HO
4-5.30pm	The use of an Ontology Based Healthcare Analytics Platform Alan Stein, Hewlett Packard Enterprise (USA)	How Vendor Neutral Archiving (VNA) and Enterprise Content Management (ECM) can provide Advanced Integrated Clinical Information Laura Pietromica, Hyland, creator of OnBase (Australia)	Smart Retinal Screening System: Building it from a credit card size computer Hong Sheng Chiong, Southern DHB (NZ)	A new model of care for management of patients with viral hepatitis; the use of telehealth to manage chronic hepatitis C infection in regional Queensland Kandice Keogh, University of Queensland (Australia)	Waikato Teledermatology in 2016 Amanda Oakley, Waikato DHB (NZ)	Invited paper by video Interactive Games for Home Delivery of Exercise and Rehabilitation Interventions for Older Adults: An Australian Perspective Stuart Smith, Southern Cross University (Australia)
	Data extraction from an electronic prescribing and administration system Qianyi Chuah, Canterbury DHB (NZ)	Technology, it inspires and enables seniors to become 'Silver Surfers' Shelly Fletcher & Michael Scurrah, Feros Care (Australia)	Your coach, care-team and support crew in your pocket - Review of an innovative approach to self-management of chronic conditions Siobhan Bulfin, Melon Health & Sally Newell, Pinnacle Midlands Health Network (NZ)	Developing a telehealth support model for women undergoing breast cancer surgery in Australia Lisa Mackenzie, University of Newcastle (Australia)	Teledermoscopy for skin cancer in Australia: is it cost-effective? Centaine Snoswell, University of Queensland (Australia)	Improving the quality of informed consent in clinical research with information technology Jim Warren, The University of Auckland (NZ)
	Unlocking big data in the reduction of unplanned readmissions realtime Nicholas Woods, Cerner Corporation (Australia)	Creating a safer and more effective after-hours service with clinical nurse coordinators and smartphone based communication and coordination Jo-Ann Blomfield, Waitemata DHB (NZ)	SCRIPT: a mobile app to support adherence to antibiotic prescribing guidelines Gayl Humphrey, The University of Auckland (NZ)	Exploring patient's experience and perspective of a heart failure telerehabilitation program: a mixed method approach Rita Hwang, Princess Alexandra Hospital (Australia)	Educating health professionals for telehealth: the centrality of digital literacy Teresa Iacono, La Trobe University (Australia)	Emergency Data Management: Overcoming Information Borders Christian Juhra, University Hospital Muenster (Germany)
	IT Innovators partnering with health providers for better outcomes Kevin Sheehy, Navigator (NZ)	Helping At Risk Individuals Achieve Their Personalised Care Goals Claire Naumann, Counties Manukau Health (NZ)	Tapuaki: Pacific pregnancy and parenting programme Amio Ikihele, TAHA Well Pacific Mother & Infant Service (NZ)	Telemedicine benefits healthcare systems beyond the patient and clinician Christopher Bladin, Clinical Director, Victoria Telestroke (Australia)	The role of the Virtual Medical Conference Eddie Tan, Waikato Hospital (NZ)	The Same Language Speak We Do – Consensus Terminology for Telehealth Richard Scott, NT Consulting Global e-Health Inc. (Canada)
	The importance of a connected regional platform to deliver truly patient centric care Stella Ward, Canterbury Health System (NZ)	Mobile device security - Getting the balance right Liz Schoff, Pleione Consulting (NZ)	Health Care Home in the Cloud Phillip Duncan, Pinnacle Midlands Health Network (NZ)	Telehealth - exploring how nurses manage patient safety and risk management in New Zealand Denise Irvine, e3 Health (NZ)	Considering Telehealth when introducing an Electronic Medical Record Susan Jury, Royal Children's Hospital Melbourne (Australia)	Improving Patient Safety, Health Data Accuracy, and Remote Self-management of Health through the Establishment of a Biometric-based Global UHID Guy Hembroff, Michigan Technological University (USA)
	Q+A	Q+A	Q+A	Q+A	Q+A	Q+A
5.30-7.30pm	NETWORKING RECEPTION in Exhibition Hall on Level 4 Sponsored by Orion Health

6.30-7.30pm PRE-DINNER DRINKS at Shed 10, Queens Wharf, Auckland CBD

7.30-11pm AWARDS DINNER **Ticket required for entry** Shed 10, Queens Wharf, Auckland CBD | Sponsored by Microsoft

TRANSPORT TO AWARDS DINNER

The dinner is being held at Shed 10 on Queens Wharf, which is a 15 minute downhill stroll from SKYCITY. Maps are available from the registration desk if you wish to walk. (It will be rush hour and there are some roadworks in the area so it may be quicker to walk than to take the bus!)

A free bus service will transport delegates to the dinner venue. The buses will leave from outside the SKYCITY Grand Hotel foyer, on Federal Street, between 6.15pm and 6.45pm on Wednesday 2 November. Look for the HiNZ sign at the front of the bus. The buses will leave when full and only limited seats are available. If you miss out on a seat on the free bus service, there will be taxis available for you to hire.

The free buses will leave Shed 10 at Queens Wharf between 10.45pm and 11.15pm, to transport dinner attendees back to SKYCITY. If you wish to leave earlier or if you need to go to another location, there will be taxis available for you to hire at Queens Wharf.

AWARDS DINNER DRESS CODE

The dress code is business professional or cocktail. Please bring a warm clothing layer with you. Shed 10 isn't centrally heated so it may be slightly cooler than SKYCITY Convention Centre.

To minimise disruption, please avoid moving between rooms within each 90 minute block (the webcast library enables you to view other sessions)

THURSDAY 3 NOVEMBER | CONFERENCE DAY 3 | includes NZ Nursing Informatics Conference
